MISSION STATEMENT

THE ITALIAN ADVENTIST UNIVERSITY IS AN ADVENTIST EDUCATIONAL CENTER DEEPLY ROOTED IN THE HIGHEST CHRISTIAN VALUES. OUR ACTIVITIES, WHICH ENCOMPASS STUDY AND RESEARCH, SERVE AS A REFLECTION ON LIFE AND A PROCLAMATION OF FAITH IN THE EVERLASTING GOSPEL. OUR MISSION IS TO NURTURE HOPE IN THE IMMINENT KINGDOM OF GOD, FOSTERING THE PURSUIT OF KNOWLEDGE AND THE EMBODIMENT OF LOVE WITHOUT RESERVATION OR DISCRIMINATION. WE ARE COMMITTED TO SUPPORTING A CHURCH THAT IS ATTENTIVE TO THE NEEDS OF THE MOST VULNERABLE AND TO WORKING TOWARDS A MORE JUST SOCIETY.

MESSAGE FROM THE PRESIDENT

David Romano,
Adventist Theologian,
teaches History of
Christianity and
Dogmatic Theology at
the Adventist School
of Theology, Director
of the Italian Adventist
University "Villa Aurora"

Dear students,

At the beginning of this new academic year I would like to express a threefold wish to you: first of all, the wish to maintain your trust in the Word of God intact. The Lord's compassion and mercy are not in fact exhausted and His promises do not fall on deaf ears. Therefore may your young lives, thirsty for fullness and a good future, seize them tenaciously. The second wish I express concerns your dedication to the relationships and lives of others, those who first and foremost share our existential perimeter. Our Campus lives by the daily miracle of mutual acceptance of one another. This is the true sense of fraternal communion. Welcoming has always been a distinctive feature of this school and is also always once again a reflection of the extreme concern and care that God pours out onto us. If someone did not feel welcomed by us, they might even be led to doubt God's love. The attention and sense of identification we receive from others contribute to consolidating in us the spiritual and tangible sense of God's love. God's blessing touch often passes through the embrace we receive from our brothers and sisters. Finally, a third wish I make in your regard is to continually nurture a passion for study. The gospel needs curious, bold young people eager to peel back ancient narratives to revisit and possibly reshape them. But life, like the gospel, also requires similar mobility from safe camps to face the open sea of existence – ex-sistere, meaning living in the exodus, putting yourself outside–, with appropriate tools.

New wine needs new barrels, as long as it is not an adulterated wine.

Don't be afraid to ask questions and speak up. Avoid superficiality, the one sin that the theologian really cannot afford, and the truly great spectrum of our time. Not infrequently we find resistance to change in some people. Not all changes are healthy and necessary; certainly. But resistance exchanged as fidelity to a tradition, risks extinguishing all enthusiasm and openness to the work of the Holy Spirit in us. To paraphrase an adage attributed to G. Mahler, we could say that true fidelity to tradition consists in transmitting a fire, not in guarding the ashes.

During this academic year we will also celebrate the eightieth anniversary of "Villa Aurora" as the home of first the seminary and then of the University Institute. In fact, in 1947 we entered this wonderful old villa, purchased thanks to the generosity of the World Adventist Church.

In this new journey that awaits us, therefore, the teaching community and the entire Institute workforce will be at your service, as traveling companions who bear the burden of taking the first step and taking care of you along the way. We'll try to be ready. This is our small promise and our constant commitment. Be sure of that. May the Lord bless this path of ours.

MOTTO & SPIRITUAL GOAL FOR THE 2026-2027 ACADEMIC YEAR

"He Lived Among Us – God with Us"

"...and lived among us for a while." (John 1:14)

The Spiritual Master Plan that will guide our spiritual journey during the 2026–2027 academic year is inspired by John 1:14. It focuses on the central event on which the faith and hope of every Christian are built: the incarnation of Jesus Christ.

The Gospel of John begins by presenting Christ in a way that seems beyond human experience: "In the beginning was the Word, and the Word was with God, and the Word was God" (John 1:1). Then, in John 1:14, we find the turning point in the history of humanity and in the relationship between God and human beings: "The Word became flesh and lived among us for a while." God did not remain far away, watching the world from a distance. He chose to enter our world—to live in a human body, at a specific time and in a real place in history. The Word "pitched His tent" among us (ἐσκήνωσεν ἐν ἡμῖν).

This is not only an event of the past. It is the foundation that still speaks to us today. In the incarnation, we see a God who willingly gave up the privileges of heavenly glory to come close to humanity, marked by sin. Through Christ, He offered the only way to salvation, reconciliation, and hope (John 1:1–14; Philippians 2:7; Romans 5:8–11).

During the coming academic year, we will have the opportunity to explore together the meaning and the implications of this central truth of the Christian faith. As we do, may we be transformed by the reality of a God who came near to us and who still desires to live among us.

CAMPUS SPIRITUAL PROGRAM FOR THE 2026-2027 ACADEMIC YEAR

The campus spiritual program, which assembles all the activities that involve the university community during the academic year in an itinerary of spiritual growth and testimony, is thought out and planned by the Spiritual & Social Activities Commission of the Institute, coordinated by the IAU Administration, by the deans, the chaplain, the DiLCAI assistant and the FAT student representative.

Thematic In-depth Studies, 2026-2027

This year as well, the Italian Adventist University is promoting a series of meetings aimed at exploring in a theological and existential key the different meanings behind the theme chosen for the 2026-2027 Academic Year. All students, volunteers, and the entire campus residential community are invited to take part in these meetings. Dialogue with the teachers, the experiences and questions of the student body are essential ingredients for the development of a close-knit and supportive university community. The calendar of meetings and guests is as follows:

MISSION STATEMENT

AS A PART OF THE ITALIAN ADVENTIST UNIVERSITY, DILCAI ALIGNS ITSELF WITH THE GLOBAL MISSION OF THE SEVENTH-DAY ADVENTIST CHURCH. OUR PRIMARY GOAL IS TO FOSTER THE WORLDWIDE GROWTH OF OUR STUDENTS BY CONSISTENTLY OFFERING ENRICHING OPPORTUNITIES FOR THEM TO INTERACT WITH INDIVIDUALS FROM DIVERSE BACKGROUNDS.

WE ACHIEVE THIS OBJECTIVE IN AN ENVIRONMENT WHERE THE PURSUIT OF ACADEMIC EXCELLENCE TAKES CENTER STAGE. IN THIS PIVOTAL AND CHALLENGING ENDEAVOR, STUDENTS GAIN NEW EXPERIENCES AND KNOWLEDGE IN FORMAL AREAS SUCH AS LANGUAGE, ART, AND CULTURE. HOWEVER, BEYOND AND WITHIN THEIR ACADEMIC PURSUITS, WE STRIVE IN EVERY WAY TO CREATE A SENSE OF 'HOME AWAY FROM HOME' FOR OUR STUDENTS.

THIS SENSE OF BELONGING IS CULTIVATED THROUGH CARING FRIENDSHIPS AND SINCERE CHRISTIAN FELLOWSHIP. DRAWING FROM DECADES OF EXPERIENCE, WE CAN CONFIDENTLY AFFIRM THAT THE CONNECTIONS FORMED HERE EXTEND FAR BEYOND THEIR TIME ON OUR CAMPUS AND LAST A LIFETIME.

Academic Rules

Academic Rules

All information contained in this booklet **MUST BE READ**. Please keep it for further reference since you will need it during your stay at Villa Aurora.

Registration

Prior to arrival the DiLCAI office must receive a scan or image of each student's passport, normally uploaded on the ACA website, so the resident permit process and tram pass process can be initiated. Once students arrive, they must bring their physical passport to the registrar's office for official photocopies to be made; after which the original will be returned to the student. If needed, personal photocopies of the passport can also be made. The University is not accountable for any theft that takes place in the dorm rooms, so do not take any unnecessary risks. Students are encouraged to lock their rooms when they leave.

Orientation

The first day of each trimester is dedicated to the new students' orientation. Details on these procedures are given upon students' arrival on campus. The information given during the orientation on campus will be in addition to the information given during the emailed zoom meeting, scheduled for each trimester and done well before the official arrival dates.

Interviews

Prior to arrival, students will be given a list of available courses in order to plan their academic year. We strive to keep students informed and up to date with course information to avoid any conflict or misunderstandings on the way to reaching their goals. If students are interested in a minor or major (from participating home universities) they will be presented with the requirements for those plans of study. Students should always keep in contact with their home schools and keep them informed of their plans.

Upon arrival, each student will be interviewed or tested by the language teachers to give them a better understanding of the student's interests, goals, and needs regarding the Italian language. This interview also helps the teachers to form the different language class groups.

Didactic material (books, folders)

Students will receive the following material: a tote bag, books, a pen and pencil, a notebook, the student guide (also available digitally upon request) which must be read closely, the lesson schedule for the term, forms to be signed, and other varying information.

Worships

Throughout the week, we will dedicate moments for brief worship sessions often accompanied by songs, allowing our staff, teachers, and students to share their personal experiences. As time progresses, our students may take the lead in the worship services, including but not limited to participation in the sermons and/or music. Important administrative announcements will be made during these gatherings, and it is crucial for students not to miss this vital information. Therefore, we highly encourage that every student attends the worship sessions that are held on campus to enrich their

Academic Rules

spiritual and social life here at Villa Aurora. The students' spiritual participation throughout their time in the program is evaluated using a point system. Students are required to attend at least 60% of the total worship activities offered. Students will receive, at the beginning of each trimester, the list of worship opportunities available for the entire trimester. At the end of the trimester the summation of the points will be graded according to the grading scale accepted across campus, and this will be included under the General Conduct evaluation in the final grades seen on the official transcript of each student (see General Conduct Evaluation, p70). Our main spiritual meetings are as follows:

- Monday 9:50-10:40 am – DiLCAI Assembly
- Wednesday 8-9 pm –Dorm worship 'Salottino'
- Friday 8:30 pm – Vespers
- Sabbath 10:00 am– Talk About It: special sabbath school in English
- Sabbath 11:00 am – Sabbath service in the main church, offered in Italian
- Sabbath once a month – we hold a special church service on the campus grounds, titled 'Sabbato del Campus'
- Spiritual Retreat we take a school-wide trip in the Tuscan mountains for a spiritual weekend together (required)

Break

There will be a 15 minute break at 10.40 am every school day.

Electronic devices

Computers, iPads, cell phones, and electronic devices cannot be used in class unless it is allowed by the teacher, in order to encourage participation and attention.

Academic Rules

Homework

Students must complete their homework on time in preparation for that day's lesson. Homework will be checked for completion in class, and the correct answers will be given. If students require a more in-depth explanation outside of class, teachers will be available to help during tutoring hours. A timetable for tutoring hours outside lesson hours will be posted.

Tests & Exams

Test dates will be posted during the first few weeks of classes. Since learning is built from foundational building blocks – particularly language – each exam will include material from previous lessons alongside new content. Students who are not present on the day of the test will automatically receive an 'F'. More information about the exams will be discussed in class.

**In case of illness, teachers will evaluate each case and they will decide if the test can be rescheduled or not.*

**Special cases should be discussed with the teachers before the scheduled date.*

Final grades

Grades will be given according to the syllabi and according with the teacher's discretion, considering the performance of the student including participation and punctuality. Final grades include the following items (these may vary depending on the course syllabus):

Course Grade Distribution:

- 10% attendance, homework, and participation
- 20% general conduct°
- 40% tests average

Absences

The following absence policy applies to all classes regarding the Italian language (grammar, composition, etc.). All other classes have their own policy which will be outlined in the course's syllabus.

The learning environment for language acquisition diverges from what students might be accustomed to. Active participation in classes is of vital importance, as students engage in collaborative learning with their peers and teachers. Attending classes regularly is vital for individual success and keeping pace with the course. Each student's presence is crucial for fostering a supportive and effective learning experience. Thus, students that are continually absent and/or unprepared hurt not only themselves, but also hinder their classmates as the teacher must use class time to re-explain material that has already been covered. With this in mind, the absence policy is as follows:

- Absences up to 20% of the total hours of the course are tolerated as long as students catch up for what they have missed. For example, if a course meets for 30 hours during the trimester, this means that six missed hours are tolerated. **NOTE:** an absence on a day with two hours of the same class will result in two absences for that class.
- For courses that meet 12 hours or less per quarter, students can **ONLY** miss **ONE** class (more details will be provided in the syllabus).
- **It is the student's responsibility** to get the information on the lesson missed, homework assigned, and to keep up with the class.
- Three (3) tardies are equal to one (1) absence.

Academic Rules

- After 5 minutes students will be considered tardy and after 15 minutes they will be considered absent.
- Each absence beyond 20% of the total course hours will lower the grade component encompassing attendance.
- If students are absent for 50% of the entire course or more, they will fail the course.
- Absences will be excused only if they are supported by a valid medical certificate covering the period of absence. If you feel unwell, please contact the Deans immediately. They will help you arrange a doctor's appointment so that, if appropriate, a medical certificate can be issued.

We ask students to please be mindful of not planning personal trips during tests, exams, and programmed trips, as these absences will affect your final grades (see *Planning Academic Year*).

COURSE POLICIES

Full Time Student Requirements

Students must take a minimum of 12 (and a maximum of 18) credits each trimester to be considered full time. Because of ACA regulations, we cannot guarantee that credits above 18 will be accepted by the respective schools.

If students wish to take more than 18 credit or less than 12 credits, they must provide Villa Aurora with a written permission from their university registrar, to avoid having those credits renounced by their school upon their return. This written approval will be attached to the transcript.

It is recommended that students take at least 15 credits, and not the minimum of 12 credits. Students that take only 12 credits, risk losing their full time status if they fail a class due to unforeseen events such as absences for sickness or other circumstances, **this may have some effects such as losing student loan funding.**

Non-ACA Students

The standard program for non-ACA students includes Italian Language, Italian Culture, and two elective courses of their choice, selected from the electives offered during the trimester.

Elective courses are subject to availability and may vary from one trimester to another.

Add/Withdraw Policies

If a student wishes to drop or withdraw from a course, they must first inform the program director, who will then record the students' withdrawal on the necessary documents.

Students can withdraw from any course with no further consequences. In Italy, students may withdraw from any class at any time without penalty. However, we require students to complete each trimester with at least 12 credit hours on their transcript (see Full Time Student Requirements). If a student falls below this minimum, they will receive a "W" on their transcript, which their home

Registrar / Course policies

university may automatically convert to an "F". Withdrawals must be discussed on a case-by-case basis with the professor and director. If a student wishes to join a course already in session, they must first obtain permission from the course instructor to see if it is still possible to do and then inform the language department director.

Elective Courses

An elective course will not be offered unless there is a MINIMUM of 5 students signed up for it or if there is a special need.

When a course, whether required or elective, is CROSS-LISTED, please indicate to your instructor and the DiLCAI's director your credit preference (HIST, ART, HMEC, LITT, etc.)

Auditing Courses

After reaching the required minimum of 12 credits, students may choose to audit (AU) existing elective classes for no academic credit. Audits must be discussed on a case-by-case basis with the professor of the course in question and the program director. Students may only audit a course from the beginning of the class, and not as a mid-quarter option. The attendance policy still applies just as if it was taken for regular credit, however homework and tests will not be required. If the attendance policy is not respected, students will be asked to leave the course (see Absences pg. 30). Students who are already taking 18 credits will still be allowed to audit elective courses but they will be asked to pay out of pocket for the material used in class and for any additional activities such as museum visits.

Additional Certification

Subject to scheduling availability, at the end of the year, students will have the opportunity to take

Registrar / Course policies

the state-certified PLIDA exam, which acknowledges their proficiency in the Italian language.

Students who wish to take advantage of this opportunity are required to attend all the preparation classes offered during the second and third quarter.

The PLIDA (Progetto Lingua Italiana Dante Alighieri) certificate is an official Diploma issued by the Società Dante Alighieri under an agreement with the Ministry of Foreign Affairs and with the academic approval of the “La Sapienza” University of Rome. The PLIDA is also recognized by the Ministry of Labor and Social Policies and by the Ministry of University and Research as a qualification for the facilitated university enrollment of foreign students.

There are 6 levels, from elementary to advanced.

Almost every one of our students in the past has passed their respective level. Usually students take anywhere from A2 to C1. B2 or C1 will allow most students to waive the language requirement to enroll in Italian Universities. These levels have been established by the European Union.

A1	Beginning Italian
A2	Elementary Italian
B1	Fundamental Italian
B2	Advanced Italian
C1	Professional Italian
C2	Mother language (Mastery)

FAQ

FREQUENTLY
ASKED
QUESTIONS

FAQ Frequently Asked Questions

How are the class groups formed?

Students will have a brief interview or placement exam with the teachers who will then decide which group to place students in.

What if I get placed at the wrong level?

During the first week, any student who feels that they have been placed at the wrong level can request that the director review his/her situation. More information will be given during orientation.

What classes will I take?

Every quarter, students will communicate with the DiLCAI's director to choose the courses they want to take. According to their language level and the electives chosen, students will be registered to attend several hours of classes each morning which will help them to learn Italian grammar, composition, conversation, art, and culture. In the afternoon students will be able to attend diverse workshops such as Sculpture, Fashion, and Mediterranean Cuisine, among others.

Can I audit classes?

After reaching the required minimum of 12 credits, students may choose to audit (AU) existing elective classes for no academic credit. To audit a class, students should indicate this at registration or within one week of the start of the trimester. The attendance policy still applies just as if it was taken for regular credit, however homework and tests will not be required. Students who are already taking 18 credits will still be allowed to audit elective courses but they will be asked to pay out of pocket for the material used in class and for any additional activities such as museum visits.

FAQ Frequently Asked Questions

What happens if I miss a class?

Unexcused absences or incomplete assignments will lower the student's grade. It is the student's responsibility to figure out what was done in class and be ready for what's due the next day.

- Three tardies will be considered an unexcused absence.
- Students who miss 50% of the class will receive a failing grade and will not be able to withdraw from the class.
- Please note that written excused absences due to illness or medical reasons outside of the 20% general allowance (see Absences pg.30) can only be issued by a medical professional in the form of a sick note. If you find yourself in such a situation, or any situation requiring medical attention, we request you to reach out to the campus deans for assistance.

And if the teacher is absent?

Students are required to wait a minimum of 15 minutes; after that, if the teacher has not arrived or sent a message for the students to wait, they should inform Antonietta or her assistant. If the absence is prearranged, the teacher will find another time to make up the class according to your schedule.

What kind of credits will I receive?

- Students coming from the U.S.A. or Canada through A.C.A. will receive a composite grade if they are in beginning (100 level) or intermediate (200 level) level, or a grade in each subject if they are in advanced (300 or 400 level) level. In either case, they will receive a total of 12-18 quarter hours of credit or 6-9 semester credits, according to the courses taken.
- Students from other countries will receive a document, in the language of their preference (Eng-

FAQ Frequently Asked Questions

lish or Italian), certifying their participation in the course, the grades or marks received, and the level of the European Framework.

How will I receive official transcripts?

- ACA students

At the end of each quarter, Villa Aurora will send all transcripts to the ACA headquarters in Maryland. Then ACA will send these transcripts to the students' home universities. Once this takes place, these transcripts will become a part of the student's permanent record at his/her home university. Transcripts from the student's home university will include the grades received through ACA at Villa Aurora.

- Students from other countries will receive an official record of their work at the end of the year.
- All students normally receive an unofficial copy of their grades each quarter.
- Additionally, during the graduation ceremony at the end of the school year, students who have finished the school year satisfactorily will receive a certificate of completion of the program

Meals are included. Food and lodging for any days beyond those previously mentioned will come at an additional charge, and students should make arrangements with the administration ahead of time.

Expected behavior and disciplinary action

Students are expected to be respectful towards others, the school, and themselves. They are expected to act in accordance with the principles and lifestyle of the Adventist church. As such, smoking, drinking alcohol, or consuming drugs are forbidden. Lack of adherence to these rules will result in disciplinary action. These may include losing off-campus privileges, participating in community service, or grade demotion. Extreme situations will be dealt with by the school disciplinary committee, and may result in being expelled at any point in the year. Students will be sent home at their personal expense, with no refund.

General Conduct Evaluation

Students enrolled in the DiLCAI program will be

assessed on their overall conduct and engagement in school-sanctioned activities throughout the duration of the program. This includes, but is not limited to, participation in worship services, maintenance of dormitory cleanliness, and demonstration of respectful and responsible behavior both inside and outside the classroom. This holistic evaluation will be conducted collaboratively by the deans, chaplain, faculty, and administrative staff. The resulting General Conduct grade will constitute up to 20% of the final grade in each course listed on the student's transcript. It is important to note that a low mark in this category may adversely affect a student's GPA at their home institution.

Honesty

Theft, fraud, and dishonesty are not tolerated by the school, and in such cases it will be necessary for the deans to intervene.

Room Deposit

The initial room deposit is 60 euros per quarter. The deposit covers potential damage to the dorm rooms and extra fees that may be incurred. The deposit will be returned to the student as part of the check-out procedure prior to the student's departure.

Non-transferability of the Right to Meals and Accommodation

The right to use student housing or to receive meals in the cafeteria, regardless of how it is granted, is strictly personal and cannot be transferred to others under any circumstances. No one may take the place of the holder of this right in the accommodation or when consuming meals, even temporarily. Likewise, keys (including electronic ones), badges, vouchers, or any other device or official document provided by the Institute may only be used by the rightful holder and may not be given to others.

Social, spiritual and cultural life

As part of the Seventh-Day Adventist educational system, one of our goals is to help students grow spiritually. We consider it important for students to attend worship programs organized by both the school and local church. Every spiritual moment is equal to a single point as follows, and students are required to acquire a total of 24 points per trimester. Their participation will be considered part of the General Conduct Evaluation score.

- Monday, 9:50 – 10:40 am – DiLCAI Assembly
- Wednesday, 8-9 pm – Dorm worship 'Salottino'

Rules for campus life

- Friday, 8:30 pm
- Sabbath, 10:00 am – ‘Talk About It’: special sabbath school in English
- Sabbath, 11:00 am – sabbath service in the church, offered in Italian
- October 9,10,11, 2026– spiritual retreat to Poppi

Cafeteria

The cafeteria serves three vegetarian meals per day, each offering a different Italian dish. The cafeteria is able to accommodate students with food allergies or specific eating preferences with prior communication. On holidays, such as Thanksgiving and Christmas, the cafeteria hosts special meals and festivities for students spending the holidays on campus.

Sabbath Kitchen Duty:

Every student or staff member is requested to help in the cafeteria on Sabbath at least once or twice during the school year. Students will be informed ahead of time in order to ensure scheduling flexibility.

Dorm Life

Dorm Rooms and Bathrooms

Bedrooms may be personalized with temporary decorations. Every student is responsible

for cleaning their bedroom and tidying up after themselves in public spaces. Garbage in the dorms must be sorted into collective waste bins according to the contents, e.g. paper, plastic, organic waste, etc. Every dorm room is provided with a broom, mop, bucket, and cleaning supplies, and the dorm will supply essentials such as toilet paper and light bulbs upon request. The dorms have a heating system used during the winter, but unfortunately there is no air-conditioning system available for use during the summer. Every dorm room is equipped with one or more fans to help keep the dorm cool, and anti-mosquito plugs are available for use in the dorm rooms as well. Students are responsible for purchasing anything else they might need or want. Any noncompliance related to dorm life and cleanliness will be dealt with by the deans. Villa Aurora values students' privacy, but may conduct general room inspections or inspect for banned substances at any time. If a student loses their keys, they should communicate with the administration and will be responsible for purchasing the new keys.

Dorm Storage

Personal belongings may only be stored in students' dorm rooms or designated areas. Hall-

ways and public spaces should be left clear for safety reasons. Villa Aurora is not responsible for theft within the dorms. Students are encouraged to always lock their doors and keep the key with them in order to avoid problems. We suggest that any valuable items be placed out of sight, and students may speak with the deans if they would like to place any items or documents in the school safe. Lost room keys will cost 7 euros to be replaced.

Curfew and Quiet Time

All students are subject to curfew during their stay at Villa Aurora. Curfew is at 11:30 PM Sunday through Friday, and is extended on Saturday to 1:00 AM. Quiet time is from 10:00 PM to 7:00 AM Sunday through Friday, and is from 11:30 PM to 8:00 AM on Saturday. Any noncompliance related to curfew or quiet time may result in disciplinary action.

For security reasons, hygienic concerns, and organizational standards we kindly ask you to read and study the following regulations for The Life on Campus.

Dorm Rules

Students are not allowed to keep perishable

food items in their bedrooms.

Students are not allowed to bring outsiders into the dorms without the deans' authorization.

- Students are not allowed to enter the bedrooms of students of the opposite sex without the deans' permission
- Students are not allowed to use electrical or gas appliances to cook in the dorms
- Students are not allowed to camp in any form on campus without the express consent of the deans
- Students are not allowed to remove Villa Aurora's linens, blankets, or furniture from the dorms
- Students are not allowed to use fire in any way

Noncompliance with these rules will result in disciplinary action.

Laundry

Students have access to the campus laundry room every day between the hours of 7:00 AM and 11:00 PM, and are asked to be quiet in the laundry room after 9:30 PM. It is important to respect the hours as an alarm system is in place during the off hours and setting off the alarm will result in a 20 euro fine. The laundry room provides the opportunity for students to switch

out dirty linens and towels once weekly, but it is the student's responsibility to take care of any other laundry with their four personal laundry tokens. Laundry staff are available Thursday mornings between 7:00 AM and 13:00 AM to collect dirty linens and return used laundry tokens to the students. Additional laundry tokens may be purchased at the reception of CasAurora for 4 euros. Further explanation will be provided upon arrival.

Library Rules and Regulations

Every student has the right to use any available books, periodicals, and any other bibliographic material in the library. Students may check out up to 5 books for a period of 15 days. Books maybe be borrowed for a 15 day period, a 7 day period, or for an overnight period. Students who lose or damage library books will be charged for the value or damage to the book. If a book is not returned on time, students will be fined 30 cents a day until it is back.

Access to the Buildings on campus

Certain buildings on campus are protected by a private security alarm system. The school and multipurpose buildings are alarmed, and may not be entered between 12:00 AM and 6:00

AM. Unauthorized personnel entering those buildings during that time will set off the alarm system and security will be alerted. Anyone responsible for triggering the alarm system will be charged 20 euros by the security company, and may receive disciplinary action by the administration. For the safety of the students, it is forbidden to enter anywhere there is a sign prohibiting access. Noncompliance with these rules will result in disciplinary action.

- Punctuality is **IMPERATIVE**. Those who are late for a scheduled tour will be left behind at Villa Aurora (late departure means possible missed arrivals or important connections with trains, boats, special appointment to museums, etc.)
- The same process is required to return to Villa Aurora, so it is **EXTREMELY** important for students to arrive on time to previously appointed meeting locations.
- Students are encouraged to participate in all scheduled trips, as they are an integral part of the Italian cultural experience. Participation is mandatory only for students taking the Fine Arts and Monuments course for academic credit. For these students, attendance on scheduled trips is required, and any absences will be subject to the same attendance policy that applies to all other elective courses.
- While on the tour students should stay with the group while touring. There must be a **PREVIOUS** agreement with faculty in charge if the student is not to remain with the group. However there is usually free time provided for the students to explore for themselves on the tours.
- It is **IMPORTANT** for students to have the contact number of faculty during any tour prior to venturing on their own for communication and safety reasons.
- Some tours will require students to bring a sack lunch and/or breakfast. Students will need to stop by the cafeteria prior to such trips to pick up and/or make their meal. Announcements will be made beforehand in such cases with more details.

QUESTIONS

FAQ Frequently Asked Questions

What does the program price include?

Program tuition includes housing, meals, school trips, and a monthly tram pass. Necessary textbooks are also provided, as well as transportation to and from the airport or train station at the beginning and end of the program. Any other expenses will be covered by the student out of pocket.

What if I withdraw from the program?

Students withdrawing early from any quarter must immediately notify the ACA office in Maryland, indicating the date of withdrawal from the program and their expected date of arrival back home. Students should talk to the ACA program director at the host campus in order to work out refund details. They should send the following information to the ACA office as soon and possible:

1. An ACA withdrawal form with the date of withdrawal, reasons for withdrawal, and any other pertinent information.
2. The balance on the student's personal account. Any balance owed to the student will be refunded by the host campus, not the ACA office. Unused funds will be refunded by the host school directly to the student and must be received prior to the student's departure. ACA is not responsible for uncollected refunds. Students withdrawing early will not be refunded for the \$100 deposit, and will pay for the length of their stay as determined by the host school. Some prepaid tour fees may not be refunded by tour providers, in which case the student will also not be refunded. **No refunds will be given for room and board or tuition after the student has completed one month of the academic quarter.**

HOW CAN MY PARENTS SEND ME MONEY?

If, for any reason, your parents decide to send you extra funds while you are here, there are a couple of ways to do it:

- Perhaps the simplest way would be for them to transfer funds directly to your bank account, which you can then withdraw from an ATM here.
- It is also possible to make a Bank Transfer. If you choose to do so, you should make use of the following information:

INTESA SANPAOLO SPA

IBAN: IT65 B030 6909 6061 0000 0077 134

SWIFT/BIC: BCITITMM

To the name of Italian Adventist University - Via del Pergolino 12 - 50139 Firenze They also have to write the purpose of the money transfer and the student's in the corresponding section. This way makes it easier to know who is the recipient.

You should tell the school accountant you are expecting the transfer, so that he can watch out for it and tell you when it arrives.
